Hello Friends!

On behalf of Let's Grow STEAM^x, Inc. (LGS^x), Thank You for welcoming the River City Soap Box Derby (RCSBD) to our community. We are grateful for the support you continue to give us and pleased to share that we had an exceptional 2018 year. Your generous sponsorship enabled LGS^x to host meaningful, educational activities and events for more than 4,000 youth in the greater Columbus region.

Over the past 3 years, through varied community activities and our Saturday STEAM clinics we have exposed over 2000 children to the sport of soap box derby. Participants not only learned to build derby cars, but developed skills in applying knowledge to real world challenges, employing the engineer design process, teamwork, and youth leadership. All of these efforts culminate to our yearly soapbox derby hosted in Midtown, Columbus where 25 racers compete for educational and local championship titles.

This year we are thrilled to share our soap box derby team is growing and going to Akron, Ohio! One skilled winner of the Local RCSBD will advance and represent Columbus, Georgia at the International Soap Box Derby Race in Akron. This is an amazing opportunity for area youth to not only compete against other regional winners, but they get a chance to contend against peers from all over the world. One of the expanded benefits of this international race

is our local winner will compete for a \$5,000 scholarship for use at the college or university of their choice! International educational competitions are the exposure experiences we aim to cultivate and grow for youth and families in our region.

Our soap box derby participants continue to ask for activities that will keep them engaged in meaningful ways. This soap box derby has given them opportunities to strengthen individual qualities, work as a team, and build stronger bonds with their families. In addition, they have been exposed to how the science, technology, engineering, arts and math play into a structure such as the soap box derby car. The children's excitement gives us a peek of what our future holds.

So...Columbus, GA...THANK YOU for your continued support; it is our privilege to work with your current and future leaders.

Sincerely,

Robbie Branscomb

Dear Soap Box Derby Enthusiasts,

Congratulations to the participants, supporters, and organizers of the 3rd annual River City Soap Box Derby! You have all put in a tremendous amount of work in preparation for this year's event.

The Soap Box Derby has a long history of bringing together families, supporters, and enthusiasts who use their creativity, and skill to design the fastest gravity powered racer. We applaud all of you for your efforts!

We want to welcome any and all visitors to our City who are here supporting and cheering for their favorite driver. Once the competition is finished, our hope is that you will have time to enjoy some of the sights and other activities Columbus has to offer.

Again, congratulations, good luck, and best wishes for a memorable event.

Very truly yours,

B.H. "Skip" Henderson III
Mayor

Youth College and Careers Expo

Thursday, October 10, 2019

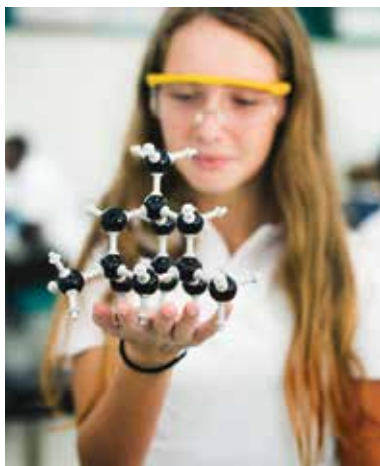

8:30 am - 3:00 pm

Columbus, Georgia • Convention and Trade Center

www.letsgrowsteam.org/expo

Why Should You Support the Let's Grow STEAMx Youth College and Careers Expo?

- 1. To close the skills gap.** The EXPO is designed to integrate youth, businesses and our community through a holistic and educational approach. The Expo is a great opportunity for businesses like yours, to connect with the future workforce and encourage them to acquire the skills they need **now**, to achieve success in your industry, **later**.
- 2. Maximize your exposure.** More than 3,500 students and educators from 60+ schools in the region were in attendance in 2018, including home schoolers and private cshools. Many of your potential business partners, clients, and competitors were present. As a sponsor and exhibitor, you create tremendous community goodwill and increase visibility.
- 3. Provide long-term support for our students.** A portion of your sponsorship goes toward providing scholarships, student recognition awards and in-depth learning opportunities for students.

Mariah Carmen Woolridge, we are so proud of you.
You are such a beautiful, intelligent, kind, strong,
capable and well-rounded young lady.
We will always be your biggest cheerleaders!

Love,
Dad, Mom, Mikey and Memphis
